RF Exposure FCC/IC

This letter is to confirm, that the manufacturer, PARROT DRONE S.A.S. will add following statement to the final version of user manual:

To meet the FCC/IC requirements on exposure to RF for transmission devices, a distance of at least 20 cm must be maintained between the product's aerial and people. To ensure compliance, it is recommended that the device not be used at any shorter distance.

Best regards

Imad Hjije
